Polar Announces FRS Youth Tour Representative

PARK RIVER – April 24, 2014 – The Foundation for Rural Service’s (FRS) annual Youth Tour is one of the most visible examples of the foundation’s involvement with, and commitment to, rural youth. This year marks the 20th annual Youth Tour. Each year, in collaboration with NTCA member companies, FRS brings rural students from across the United States to Washington, DC for a four-day tour of some of the most historical sites in the nation. While there, students also learn about the telecommunications industry, as well as the regulatory and legislative processes. Educational sessions on these topics are greatly enhanced by site visits to the U.S. Capitol and the FCC to meet with industry leaders and members of Congress. The students also are given ample time to explore the Nation’s Capital and its many attractions.

To qualify, the student’s parents must be subscribers of Polar and the student must be age 16 or 17 years old at the time of the youth tour. Along with submitting the application they are required to write an essay on Telecommunications.

The 20th annual Youth Tour is being held May 31 – June 4, 2014. We are proud to announce our representative for this year’s trip is Emily Zikmund, Park River High School. Emily is the daughter of Timothy and Jacqi Zikmund, Pisek, ND.
