Inside Wire Maintenance

The FCC rules that Polar must deregulate all inside wire at the subscriber's premise. This means that Polar WILL NOT be able to maintain this wiring under our tariff. We do, however, offer Inside Wire Maintenance on a per visit basis at \$50 for the first quarter-hour and \$10 for each additional quarter-hour. We also offer Inside Wire Maintenance on a contract basis for telephone wiring or for telephone, Internet and cable television wiring at the local tariff rates. Those who have a contract would not have to pay the per visit fees for any maintenance on inside wiring.

_____ I/We wish to subscribe to Polar's Inside Wire Maintenance contract for telephone at the local tariff rate.

_____ I/We wish to subscribe to Polar's package Inside Wire Maintenance contract at the local tariff rate.

_____ I/We DO NOT wish to subscribe to Polar's Inside Wire Maintenance contract.

Calling Cards & Toll Restrictions

When a telephone number is not in use it has restrictions from third-number (placing a long distance call away from home and charging it to your home number) and collect calling. After your order is processed for service, these restrictions are removed. If you would like these services removed immediately please contact us at 701-284-7221 or 800-284-7222. Please check the services you would like below. NOTE: There is not a service charge for these services.

- _____ I DO NOT want third-number calls to be billed to my number.
- _____ I DO NOT want collect calls to be placed to my number.
- _____ 900 Number Block - Please block my line from making 900 number calls.

Terms & Conditions

1. The applicant will grant Polar Communications/Cablevision/Telcom/Wolverton Telephone Company a right-of-way easement to construct, operate and maintain a line or system on the land owned by applicant and in or upon all streets, roads or highways abutting said land.
 2. The applicant agrees to the rules, regulations, and rates of Polar Communications/Cablevision/Telcom/Wolverton Telephone Company as set forth in the exchange tariff. To inquire about the company's tariff or by-laws, please contact Polar Communication Headquarters office at 701.284.7221.
 3. Polar strongly recommends that all customers connecting computers or network systems to the Internet or other systems use a firewall as the minimum step in securing their information. Customer agrees to hold harmless Polar from any claims, obligations, liability, costs, damages, or expenses arising out of or relating to a third party wrongfully accessing Customer's electronic contents through Polar's data network. When leasing equipment such as telephones, cable modems, etc. they will remain the property of Polar and must be returned to Polar in good working order when service is terminated, or a charge may be incurred. Customer Initial Here: _____
 4. Before Polar provided equipment (modems, routers, receivers, etc.) is installed, a Polar technician will test the electrical outlet with a Standard Receptacle Tester. This test will verify proper wiring of the electrical outlet at the time of install. If the outlet does not pass with a Standard Receptacle Tester, we will not install Polar or any other equipment using the outlet. Customer Initial Here: _____
- _____ Please check here if you have a hearing or speech disability or condition and that this disability/limitation prevents or limits your ability to communication over voice networks.

The undersigned (hereinafter called the applicant) agrees to the terms and conditions stated above and hereby applies for services from Polar, organized under the laws of the State of North Dakota for the purpose of furnishing telecommunications services.
