Park River, ND – February 17, 2016 - At their February 16, 2016 board meeting, the Polar Communications Board of Directors accepted the resignation of long time General Manager/CEO Dave Dunning. Mr. Dunning plans to retire from the company July 1, 2016.

Dave has been with the cooperative since June of 1996. During his 20 year tenure company revenues have increased substantially. Today Polar Communications is a leader in broadband deployment with total plant investments totaling over \$100 million.

“We want to thank Dave for his service to the company and wish him well in the future,” said Ron Steinke, Polar Communications Board Chairman. The Board of Directors has initiated a national search for a new CEO for Polar. A successor is expected to be named in the May-June 2016 time frame.
