Polar Communications Resumes Capital Credit Payout in 2016

PARK RIVER, ND – April 27, 2016 – Polar Communications announced today that it will return over \$1.5 million to its co-op members in 2016.

“The board is pleased to return to a bi-annual payment schedule following our fiber buildout,” said Ron Steinke, Polar Communications Board President.

The cooperative will be disbursing checks at its Annual Meeting on June 2, 2016. Remaining checks will be mailed following the Annual Meeting to those not in attendance. The December payments will be mailed to all patrons who qualify for capital credits for this payout. Capital credits paid out this year are margins from the years 1997, 1998, 1999, and 2015.
