## **FOR IMMEDIATE RELEASE**

### **Polar Builds Office in Mayville**

PARK RIVER, ND – April 4, 2006 – The Mayville City Council approved the building permit requested by Polar Communications at their regular meeting on Monday, April 3, 2006. Polar plans to break ground for it's new building located at 112 West Main Street in mid-April.

The new building will include a customer service area, videoconference center, and community room for public use.

“Polar Communications specializes in serving rural communities such as Mayville and Portland,” said David Dunning, General Manager/CEO. “We’ve had great success in these communities since our project began in 2002. We are excited and proud to give back to the communities in appreciation for the business they have given us. “

Polar plans to have the building open and operational early this summer.
