PARK RIVER, ND – April 24, 2006 – Polar Communications Board of Directors approved capital credit payouts of \$1,045,058 to its cooperative members in 2006. Checks for the June payout will be available June 8th at the 2006 Annual Members Meeting. Checks that are not distributed that evening will be mailed.

“The Board is very excited to be able to approve a payment of this magnitude. Giving back to our members and communities has always been a priority,” said Brian Udby, President.

The remaining capital credit payout for 2006 will be mailed to patrons in December. Capital credits paid out this year are margins from the years 1992 and 2005.
