FOR IMMEDIATE RELEASE

Polar Purchases Wolverton Telephone Company

PARK RIVER, ND – August 30, 2004 – Polar Communications Board of Directors announced today the purchase of Wolverton Telephone Company. Wolverton Telephone Company (WTC) is located in Wolverton, MN and was established in 1946. WTC serves the communities of Wolverton, MN; Walcott, ND; and Christine, ND. It has been a family-owned company until the recent purchase by Polar from Mathew and Paul Ihland of the Wolverton area.

Wolverton Telephone Company takes pride in providing quality telecommunications services. Polar is excited to continue to bring quality services to the customers of WTC and is committed to embracing new technologies and bringing them to the rural customer. The purchase will add over 500 customers to Polar's current customer base.
