Polar Promotes Three to Department Head Level

PARK RIVER, ND – December 29, 2006 – Polar Communications recently announced the promotions of three individuals to Department Heads within the company.

Karl Blake will take the role of Assistant Plant Manager January 1st, 2007. He began his employment with Polar as a Computer Programmer in April of 1994. He moved to Central Office Technician in 1998, Network Specialist in 2000, then promoted to Internet Supervisor in August of 2002. Karl will assist in overseeing all Plant and Internet Operations.

Shari Flanders, Polar's Regulatory Affairs/Administrative Services Manager, has been promoted to Department Head level. She is the liaison between Polar and regulatory authorities such as the Federal Communications Commission, North Dakota Public Service Commission, and Rural Utilities Service. Additionally, Shari is in charge of negotiating and administering cable television programming contracts for Polar Cablevision. Shari's former position was Accountant and has been with Polar since April of 1999.

David Niemann has been promoted to Chief Financial Officer. David began as an Accountant with Polar Communications in June of 1996 and was promoted to Accounting Supervisor in 2005. He is responsible for all Accounting and Finance matters for the company and its subsidiaries.
