

Coming in December... *It PAY\$ to be a co-op member!*

As a cooperative, Polar Communications pays out capital credits earned by patrons as the co-op makes a profit and generates earnings. If you had active service with Polar in 1999 or 2000 and earned capital credits there will be a credit on your December bill titled "Capital Credit". If your capital credit reimbursement totals over \$200 a check will be mailed to you.

We appreciate your past patronage and look forward to continuing to serve you!
