Polar Communications Awards \$5,000 in Grants to Area Schools

Park River, ND – January 8, 2018 – Polar Communications recently announced they have awarded 2 schools in their service territory a total of \$5,000 in Polar Technology Grants. Polar’s Technology Grant provides funding for PK-12 schools enabling the purchase of hardware, software, contracted services and other technologies that target student achievement through technology integration. Applicants were required to submit their proposals including an overview of their project abstract, goals, narrative, and budget information. Accredited PK-12 schools in Polar’s service territory were eligible to apply. Polar Communications awards up to \$5,000 per year with each grant not to exceed \$2,500.

Schools winning the 2017-18 Polar Technology Grants were the following:

Fordville-Lankin Public School – Educational Uses for Drone Technology - \$2500
Northern Cass Public School – Robotic Video Camera for Enhancement - \$2500

This is the 10th year that Polar has provided this grant to schools they serve, totaling \$50,000 given to enhance technology in the classroom. Polar is proud to invest in our schools and the community providing value for the future.

L to R: Fordville-Lankin Students along with Technology Coordinator, Bob Anderson accepts check from Jon McMillan, Polar Board Member.

L to R: Cindy Hejl, Polar Board Member presents check to Tim Keckler, Technology Coordinator and Don Hollister, Jaguar Vision Instructor, both of Northern Cass School, along with Northern Cass Students.
