Polar to Sponsor Student for FRS Youth Tour

Park River, ND – February 9, 2018 – The Foundation for Rural Service’s (FRS) annual Youth Tour is one of the most visible examples of the foundation’s involvement with, and commitment to, rural youth. This years Youth Tour will be held June 2-6, 2018. Each year, in collaboration with NTCA member companies, FRS brings rural students from across the United States to Washington, D.C., for a four-day tour of some of the most historical sites in the nation. While there, students also learn about the telecommunications industry, as well as the regulatory and legislative processes. Educational sessions on these topics are greatly enhanced by site visits to the U.S. Capitol and the FCC to meet with industry leaders and members of Congress. The students are also given ample time to explore the nation’s capital and its many attractions.

To qualify, the student’s parents must be voice or broadband subscribers of Polar, and the student must be age 16 or 17 years old at the time of the Youth Tour. Along with submitting an application, students are required to write an essay on modern technology. Deadline for entries is March 1, 2018. Applications can be obtained from your high school guidance counselor or online at www.thinkpolar.com.

Please encourage students to participate in this great opportunity. Applications and information regarding the youth tour and scholarships can be obtained from your high school guidance counselor or found online at www.thinkpolar.com. For questions please contact Carol LaHaise at 701-284-4361 or email: clahaise@polartel.com.
