

Welcome to extended WiFi coverage.

WiFi is a part of daily life in most homes - it is a critical component of connectivity. Now you can extend that connection to the outdoors, your yard, deck or the garage with mesh extenders. Mesh extenders work seamlessly with GigaCenter to enlarge your network. With our GigaCenter and mesh extenders, now you can experience reliable whole-home WiFi in every corner of your home...and beyond.

**Sign up for Managed WiFi with GigaCenter
and/or Mesh Extender and receive
FREE WiFi optimization - a \$150 value!**
