

GET UP TO SPEED FOR THE HOLIDAYS AND BEYOND

Internet service is a part of daily life in most homes - it is a critical component of connectivity. With the number of devices being used by you and your family members, including laptops, tablets, smart phones and TVs, you need a connection that is reliable and secure. Relax knowing you have the speed you need for your household or business to run at its best.

Increase your broadband speed for free!

Go from 30Mb to 100Mb, switch from 50Mb up to 200Mb, or bump all the way up to 1Gb and continue paying your current rate for three months! Visit thinkpolar.com to see all your options, then contact us and let us know what speed you'd like to move up to for FREE!
