FEATURE KEY

VOD - Video on demand allows users to access video content without a traditional device and without the constraints of a typical static broadcasting schedule.

Replay TV - Channels that allow Replay TV provide access to up to 75 hours of already-played programming, depending on the availability and permissions from each content provider.

WTVE - Additional content available FREE for online viewing on tablets, computers, smartphones, and more through www.watchTVeverywhere.com. Content availability is based on user's package.
